Activity Modules of Training

Course Overview

- About the Training
- Introductions & Programme Overview

Pre Analysis

- Pre Analysis

Module 1

- 1A - Introducton to the SNC ECCE 2020
  Restricted — Not available unless: The activity **Pre Analysis** is marked complete
- 1B - Introduction to the SNC ECCE 2020
  Restricted — Not available unless: The activity **Pre Analysis** is marked complete
- Additional Resources
  Restricted — Not available unless: The activity **1B - Introduction to the SNC ECCE 2020** is marked complete
- Quick Revision
  Restricted — Not available unless: The activity **1B - Introduction to the SNC ECCE 2020** is marked complete

Module 2

- 2 - Responsibilities of a Caregiver
  Restricted — Not available unless: The activity **Quick Revision** is marked complete

Module 3

- 3A - Learning Styles
  Restricted — Not available unless: The activity **2 - Responsibilities of a Caregiver** is marked complete
- 3B - Learning Styles
  Restricted — Not available unless: The activity **3A - Learning Styles** is marked complete
- Additional Resources
  Restricted — Not available unless: The activity **4 - Theoretical Perspective on ECCE** is marked complete

Module 4

4 - Theoretical Perspective on ECCE

Restricted Not available unless: The activity **3B - Learning Styles** is marked complete

Let's Recall

Restricted Not available unless: The activity **4 - Theoretical Perspective on ECCE** is marked complete

Module 5

5A - Creating A Positive Learning Classroom Climate

Restricted Not available unless: The activity **4 - Theoretical Perspective on ECCE** is marked complete

5B - Emotional Environment

Restricted Not available unless: The activity **5A - Creating A Positive Learning Classroom Climate** is marked complete

Additional Resources

Restricted Not available unless: The activity **6A - Importance Of Conducive Physical And Cultural Environments** is marked complete

Module 6

6A - Importance Of Conducive Physical And Cultural Environments

Restricted Not available unless: The activity **5B - Emotional Environment** is marked complete

6B - Learning Corners

Restricted Not available unless: The activity **6A - Importance Of Conducive Physical And Cultural Environments** is marked complete

Additional Resources

Restricted Not available unless: The activity **6C - United Nations Convention on the Rights of the Child** is marked complete

6C - United Nations Convention on the Rights of the Child

Restricted Not available unless: The activity **6B - Learning Corners** is marked complete

Module 7

7 - The Daily Routine Of An ECCE Classroom

Restricted Not available unless: The activity **6C - United Nations Convention on the Rights of the Child** is marked complete

Additional Resources

Restricted Not available unless: The activity **8 - Personal, Social And Emotional Development** is marked complete

Module 8

8 - Personal, Social And Emotional Development

Restricted Not available unless: The activity **7 - The Daily Routine Of An ECCE Classroom** is marked complete

Restricted Not available unless: The activity **9A - Language And Literacy Development** is marked complete

Module 9

9A - Language And Literacy Development

Restricted Not available unless: The activity **8 - Personal, Social And Emotional Development** is marked complete

Additional Resources

Restricted Not available unless: The activity **9B - Listening And Speaking** is marked complete

9B - Listening And Speaking

Restricted Not available unless: The activity **9A - Language And Literacy Development** is marked complete

Additional Resources

Restricted Not available unless: The activity **9C - Reading Skill In ECCE** is marked complete

9C - Reading Skill In ECCE

Restricted Not available unless: The activity **9B - Listening And Speaking** is marked complete

Additional Resources

Restricted Not available unless: The activity **9D - Writing** is marked complete

9D - Writing

Restricted Not available unless: The activity **9C - Reading Skill In ECCE** is marked complete

Additional Resources

Restricted Not available unless: The activity **10 - Basic Mathematical Skills And Numeracy In The ECCE** is marked complete

Quick Revision

Restricted Not available unless: The activity **9D - Writing** is marked complete

Module 10

10 - Basic Mathematical Skills And Numeracy In The ECCE

Restricted Not available unless: The activity **9D - Writing** is marked complete

Additional Resources

Restricted Not available unless: The activity **11 - Knowing All About The World Around Us In Early Years** is marked complete

Module 11

11 - Knowing All About The World Around Us In Early Years

Restricted Not available unless: The activity **10 - Basic Mathematical Skills And Numeracy In The ECCE** is marked complete

Module 12

12 - Development Of Scientific Knowledge And Skills In The ECCE Classroom

Restricted Not available unless: The activity **11 - Knowing All About The World Around Us In Early Years** is marked complete

Additional Resources

Restricted Not available unless: The activity **13A - Health, Hygiene And Safety In The ECCE Classroom** is marked complete

Module 13

13A - Health, Hygiene And Safety In The ECCE Classroom

Restricted Not available unless: The activity **12 - Development Of Scientific Knowledge And Skills In The ECCE Classroom** is marked complete

13B - Child Safety

Restricted Not available unless: The activity **13A - Health, Hygiene And Safety In The ECCE Classroom** is marked complete

Module 14

14 - Creative Arts In The ECCE Classroom

Restricted Not available unless: The activity **13B - Child Safety** is marked complete

Let's Recall

Restricted Not available unless: The activity **14 - Creative Arts In The ECCE Classroom** is marked complete

Module 15

15 - Importance Of Nutrition For Growth And Development

Restricted Not available unless: The activity **14 - Creative Arts In The ECCE Classroom** is marked complete

Module 16

16A - Observation As A Child Centered Assessment Strategy

Restricted Not available unless: The activity **15 - Importance Of Nutrition For Growth And Development** is marked complete

Additional Resources

Restricted Not available unless: The activity **16B - Checklist-Portfolio as a Child Centered Assessment Strategy** is marked complete

16B - Checklist-Portfolio as a Child Centered Assessment Strategy

Restricted Not available unless: The activity **16A - Observation As A Child Centered Assessment Strategy** is marked complete

Module 17

17 - Managing A Multi-Age Classroom

Restricted Not available unless: The activity **16B - Checklist-Portfolio as a Child Centered Assessment Strategy** is marked complete

Additional Resources

Restricted Not available unless: The activity **18A - Behaviours** is marked complete
